

Instruction for using Transparent Language by BYKI on PC and Mobile device.

1. Come by the Base Library in person and sign up for an account.
2. You will enter a Username, Your Name, a Password, and then confirm the Password. Enter the main language of interest and your email address.
3. To use on your mobile device. Log in and click on the "Go Mobile" tab and follow the instructions.
4. First, click on "Get Activation Code" and on your device you will need to install the Byki for iPhone Community Edition app.
5. Then enter the Activation code into your Byki Community Edition on your mobile device.
6. Choose your language and download from the list.
